## Press Release

### FOR IMMEDIATE RELEASE

## Team Bibby to cook up delicious fare at the Engineman's Rest Café

Our new caterers, Sarah and Luke Bibby, will be treating visitors to the Engineman's Rest Café at Crofton to a fabulous range of home cooked foods freshly prepared from ingredients sourced from local suppliers. Sarah and Luke live in the Marlborough area but have been running a successful artisan bakery in Tuckton near Christchurch. Sarah said "We have been looking for a while to find a business opportunity closer to home but off the high street. We are very excited to be working with the team at Crofton and look forward to satisfying our customers at the Engineman's Rest with delicious home cooked foods, tea, coffee and a selection of cakes and ice creams whilst they visit this wonderful site. We very much look forward to making the Engineman's Rest the place to visit for good food in wonderful surroundings."

The Engineman's Rest Café opens on the 8<sup>th</sup> April daily except Wednesdays, 10.30am to 4.30pm.

**END**

**About Crofton:** Crofton Beam Engines is situated on the north side of the Kennet and Avon Canal near to its highest point. It was built to pump water to the highest level of the canal some 13m (40') higher and 1.13Km (0.7miles) to the west. It is home to two magnificent steam driven beam engines one of which can claim to be the oldest in the world still in its original location and doing the job it was installed for in 1812. Crofton Beam Engines is a Grade 1 listed site. It is also a branch of the Kennet and Avon Canal Trust who operate the site through an enthusiastic band of volunteers all of whom are keen to provide visitors with a memorable experience.
